

10th European Conference on Boron Chemistry

Łódź, Poland, July 6 - 10, 2025

Deadline
for early bird registration: **March 31, 2025**

Deadline
for abstract submission: **March 31, 2025**

Venue: University of Lodz, Faculty of Philology

**Organizers: Polish Chemical Society,
Institute of Medical Biology PAS**

Website: www.euroboron10.eu

Scientific topics of the conference:

- Fundamental chemistry of boron compounds
- Boron compounds in biology and medicine
- Boron-based materials, catalysts and polymers
- Other aspects of boron chemistry, including modeling and technology
